The Department has evaluated the submitted documents and confirms that the intended water uses fall within the ambit of the General Authorisation. You may therefore continue with the water uses as authorised in terms of Section 22(1)(a)(iii) of the National Water Act, 1998. You are reminded to adhere to the conditions stipulated in the said General Authorisation.

Please be informed that your water uses have been registered for the purpose of capturing the water uses in the Department's records and billing purposes. Find attached with this letter the relevant General Authorisation and registration certificate for ease of reference.

Please note that if you don't comply with the conditions of the General Authorisation your water use will be considered as unlawful.

You are required to comply with the conditions of the General Authorisation.

Yours sincerely
