Dear Natasha.

Please note that, the pre-app meeting for the upgrades/ or improvements of some Sections on existing N18 within the **North-West Province is not required**. You will need to apply for one Basic Assessment report and specify the Sections that will require an upgrade on the N18. In fact, you have already specified on the Pre-app Application form, now you just have to continue to specify these sections (e.g. section 3, 5 & 6).

You may go ahead to lodge your Application form for the proposed for the upgrades/ or improvements of some Sections on existing N18.

Regards,  
Jay.
